- Polish (native)
- English (B2)
- Russian (A1/A2)

ABOUT ME

I'm an aspiring frontend React developer from Grębków, Poland and a graduate of WIT Academy in Warsaw, where I studied IT. I primarily focus on frontend development using React & Typescript, and I enjoy exploring and learning new things in my spare time. I've been self-taught for over 2 years and am still striving to dive deeper into the world of programming to learn more.

WORK EXPERIENCE

Rewizor SP. ZOO   3 MONTH INTERSHIP
